"Intensive" Modality

Concept

Invest one day of self-preparation with Microsoft Learn content before the training. This way you will benefit much more from the instructor-led training days.

Right after booking your training you get access to the Learning Support and Microsoft Learn

During the training you benefit more from the instructor thanks to your pre-study effort

Close the last gaps or remaining questions with the Learning Support & Microsoft Learn

Reward yourself and demonstrate your expertise through the certification

Microsoft Teams Classroom

In most cases, this training modality will be delivered in a physical Digicomp Classroom. On rare occasions, we might offer this modality in a virtual format in fullday training sessions via Zoom.
